RAINTREE CLUB MEMBERS' NEWSLETTER • PP 11049/11/2012 (031176)

PRESIDENT'S MESSAGE

Dear Members,

Sincere thanks to all the members who attended the recent AGM on 22nd September 2024. A new General Committee has been elected, and I am delighted to welcome a few new faces who are serving for the first time. Their fresh perspectives will undoubtedly bring valuable contributions to the team.

At the time of writing, we have had 2 Committee meetings; Sub Committees have been formed for most if not all the portfolios; vacancies in the Internal Audit Committee have been filled; the Tender Board has been set up. There is energy in this team from the get-go.

Almost immediately after the AGM, we had the opportunity to celebrate Deepavali with our Hindu members and their families. This year's celebration was especially meaningful as it was held in our newly renovated Cerating Hall, enjoying the lively beats of a live band. It was wonderful to see so many of you there to share in the festivities.

In other news, I'm pleased to announce that we have recently signed a reciprocal arrangement with the Kota Kinabalu Yacht Club. First established in 1952 the Kinabalu Yacht Club (original Jesselton Yacht Club) has been providing yachting, boating and recreational facilities as a private members club at Tanjung Aru Beach, Kota Kinabalu for over 50 years. From its 37 founder members, KYC now has about 700 members. This partnership will allow our members greater access and opportunities to experience new surroundings, expanding the benefits of your Raintree membership.

In this new term, we continue to focus on restoring and improving the Club facilities. There had been a robust discussion during the AGM about installing a lift in the main building, to cater to the senior members of the club. This new committee is equally aware of the resolution passed at the previous EGM to look at reviving the idling bowling centre. Both items are given careful attention and will be reported to the members at the next AGM. In addition, the General Committee's focus for this term would be on these other issues:

- Effective communication with members,
- Create an environment to improve membership participation
- Housekeeping to make members feel that this Club is their home away from home
- Working with management on improving Standard Operating Procedures to provide consistency.

At the time of writing, I am pleased to report that the solar photovoltaic project has started. Some physical work is underway, but most of the work done is in the back room and not seen. Design and method statements are being worked on by the vendor. As these are submitted and verified, the solar PV panels are also being delivered on-site albeit delayed logistically. It is anticipated the project will be completed sometime in mid-January next year.

Looking ahead, we have two major events on the horizon: New Year's Eve and the Chinese New Year celebration. I encourage everyone to join us as we ring in the New Year and celebrate the traditions that bring us together. These are sure to be memorable occasions, and I look forward to celebrating with all of you.
Thank you, and here's to another wonderful year at Raintree.

LILA SARI

CELEBRATION OF DEDICATION

On the evening of 22 August 2024, the Lilasari Lounge set the stage for a heartfelt Appreciation Night to honour all Convenors and Sub-Committee members. Organized by the General Committee, this special gathering was a gesture of gratitude for their tireless efforts and dedication over the past two years.

The event began with a speech by the President, Ir. Bruce Chan, who expressed his deepest appreciation to the Convenors and their respective committee members. He lauded their invaluable contributions in organizing numerous events and activities that enhanced the experiences of our members. With the terms of office for all Convenors and Sub-Committees concluding at the Annual General Meeting in September 2024, the evening was a fitting tribute to their remarkable service.

Members were treated to a sumptuous buffet dinner, providing a delightful opportunity for everyone to connect and reflect on their accomplishments in a warm and celebratory atmosphere.

The Appreciation Night was a testament to the spirit of volunteerism and the sense of community that defines the Raintree Club. The General Committee extends its heartfelt thanks to all Convenors and Sub-Committee members for their outstanding commitment to making our club a vibrant and welcoming space for all.

TABLE TENNIS

When Raintree Club hosted the friendly multi games with Royal Lake Club on 6 July 2024, our team beat the visitors with the score for 17 to 4. 14 singles and 7 doubles were played.

The 2024 Inter Club Triangular Table Tennis tournament was hosted by the Sunway Lagoon Club on 8 September 2024. Sunway Lagoon Club, the Royal Lake Club and our Raintree Club participated in the said tournament. Raintree Club emerged the champion club again to retain the challenge trophy. The next year 2025 tournament will be hosted by the Royal Lake Club.

BADMINTON

BWF COUNCIL MEMBERS AND HQ STAFF VISIT TO RAINTREE CLUB

On Friday, 28 October 2024, Raintree Club welcomed esteemed Council Members and staff from the Badminton World Federation (BWF) Headquarters. The visit commenced with a warm welcome and a brief introduction to the club, showcasing Raintree's facilities and the unique benefits we offer to our members. This introductory tour offered our BWF guests an insightful glimpse into Raintree's steadfast commitment to fostering a vibrant sports and recreation environment for our community.

The club provided complimentary access to Badminton Court #1 and Court #2 from 2:00 p.m. to 5:00 p.m., allowing the Council Members and staff to enjoy our high-quality facilities firsthand. Highlighting the spirit of camaraderie, a formal souvenir was held, symbolizing the mutual respect and growing collaboration between the Raintree Club and the BWF. The event was a wonderful opportunity for Raintree to connect with influential figures in the global badminton community and further strengthen our club's position as a hub for sports and recreation.

We look forward to more such enriching engagements in the future!

TENNIS

The tennis year has continued to be very busy throughout the second half of 2024.

The Interclub Premier League was expanded in 2024 to twelve (12) teams from the KL and Klang Valley area. For the first time Raintree had two teams participating, which means more than 50 players represented Raintree in the league. The 2024 season concluded in September with Raintree Titanium being crowned CHAMPIONS after defeating Royal Lake Club 3-2 in a very high quality final. This title means Raintree has now been victorious in all four editions of the Premier League – 2018, 2019, 2023 and now 2024

The club championships for members took place over four weekends in November and December. There were five events - mens and ladies singles, mens and ladies doubles and mixed doubles. For the second year we also held club championships for the Next Gen 18 and under and Next Gen 12 and under. For the first time championships were held for the Next Gen 10 and under and Next Gen 8 and under.

The singles league (ROSTL) kicked off the 2024 edition in February. More than 50 players were active in the league this year, which concluded with the finals in September. To encourage and support players a Universal Tennis Rating (UTR) system is being introduced by the TOC. In the future this will allow tournaments to be designed around a closer bandwidth of individual UTR ratings.

In July, we welcomed the tennis team from Port Dickson for a tennis friendly. This was followed by the visit of Tanglin Club, Singapore, in August. The Next Gen also played friendlies against Alice Smith, ISKL and Tennis KL.

In August the resurfacing of courts 4, 5 and 6 was completed and the courts were officially opened for play on 31 August 2024.

RLC'S ANNUAL SWIMMING GALA & CHAMPIONSHIP 2024

ANNUAL SWIMMING GALA & CHAMPIONSHIP 2024: A GRAND SUCCESS FOR RAINTREE CLUB SWIMMERS

The Annual Swimming Gala & Championship 2024, hosted by the prestigious Royal Lake Club, was a spectacular event that brought together some of the finest swimming talents. With a total of 53 events on the schedule, the championship showcased incredible skill, determination, and sportsmanship.

The event saw enthusiastic participation from three renowned clubs: Royal Lake Club, Kelab Golf Negara Subang, and Raintree Club Kuala Lumpur. Among the standout teams was the Raintree Club, which sent a small but mighty contingent of seven swimmers to compete. Despite their modest numbers, they made waves—quite literally—by winning an astounding 23 medals in their respective events. Their medal tally included an impressive 18 golds, 3 silvers, and 2 bronze, underscoring their dominance in the pool.

The Raintree swimmers' performance was a testament to their rigorous training and team spirit, earning admiration from both spectators and competitors. Meanwhile, the Royal Lake Club and Kelab Golf Negara Subang also showcased remarkable talent, adding to the excitement and competitiveness of the gala.
This championship not only highlighted the athletic excellence of all participants but also fostered camaraderie and sportsmanship among the clubs, making it a memorable event for everyone involved.

NOTICE

NON-SMOKING TERATAI BAR ON THE LAST FRIDAY OF EVERY MONTH, STARTING FROM JANUARY 2025

Second-hand smoke (SHS) is the smoke that fills restaurants, offices, homes, or other enclosed spaces when people smoke tobacco products. According to the World Health Organization (WHO), there is no safe level for exposure to second-hand tobacco smoke, and those exposed can contract various lung-related diseases including serious cardiovascular and respiratory diseases, prematurely killing over 1.3 million people every year. Medical data shows that lung cancer is no longer just a male smokers' disease only, with many new cases now involving non-smokers, predominantly women and children, many of whom are victims of chronic SHS exposure. To address the tobacco epidemic, WHO Member States adopted the WHO Framework Convention on Tobacco Control (WHO FCTC) in 2003. Currently 182 countries, including Malaysia, are Parties to this treaty.

As an environmental, social, and healthy-living conscious General Committee (GC), couple with requests from members for a smoke-free club, the GC has declared that The Teratai Bar will be a non-smoking bar on the last Friday of every month, starting from January 2025. This is a small but good step towards creating a healthier life-style environment for our members of all ages.
