PRESIDENT'S MESSAGE

*D*ear Members,

This year's AGM has just been concluded, and there are certainly a number of takeaways from this important Club event.

One positive one was the number of Members who attended. All too often in the past, AGMs held in non-elections years like this year have been plagued with the problem of achieving the necessary quorum of 50. There was however no such problem this year, with a quorum present as early 9.40 am. Probably this had a lot to do with the GC's proposal to increase the monthly subscription by 50% from RM100 to RM150, which attracted the interest of concerned Members. Yet given the size of the proposed increase, it was perhaps surprising that more Members did not turn out (the final count on attendance was only 86). I suppose most Members were confident that those present would make a fair and just decision representative of their views.

The GC presented its view on the current situation, which it also used as the basis for projecting expected income and expenditure for the years ahead. Given the state of the world economy and in particular of the country's economy, the GC felt it was difficult to be optimistic about the Club's finances. Specifically, the GC's predictions foresee that the existing cash reserves will last only three years based on the revenue and expenditure figures for 2015 – even assuming no capital expenditure and some minor improvement in slot machine and membership subscription income, plus a reduction in F&B deficit. Hence the clear need, in the GC's view, to increase substantially the monthly subscription, which accounts for the bulk of the Club's regular income.

Disappointingly, a majority of the Members seemed to think otherwise. Presumably they are much more optimistic than the GC or the Club management. In the end, and after some lively debates, the GC's proposal for a subscription increase was referred to an ad hoc committee of three members. Their job, as mandated by the AGM, is to study what would be a suitable quantum of increase and to report back on this to the house by 30 June 2016.

Annual General Meetings are a good forum and opportunity for Members to engage with the GC and management of the Club, to put questions on areas of interest or concern to them, to air views on issues, as well as to put forward suggestions for improvements to the Club. Such feedback plays an important role, as it helps the GC to ensure that programs and activities are carried out broadly in line with Members' needs and expectations. It is particularly important that Members should participate in debate on decisions on important issues affecting the Club and the general membership such as the subscription increase. Rule 43 (3) also allows Members to put forth any matter or resolution at a general meeting, provided that notice of this is given in writing to the Secretary at least 8 clear days before the date of the meeting.

At the same time, while the GC welcome and encourage Members' participation in such debates, Members for their part must at all times conduct themselves with decorum and respect. In particular, making unfounded allegations of dishonesty and impropriety or scandalous and offensive comments is not acceptable. Nor are such actions conducive to the objective of the Club of fostering mutual goodwill, understanding and friendship among Members.

I look forward to seeing you all taking an active part at further general meetings, and until then
Happy Clubbing.

WINSON HAN MEAN KWONG
PRESIDENT

2015 ANNUAL KARAOKE

SATURDAY | 7PM TO 10PM
25.07.2015 | CERATING BALLROOM

Raintree held its 2015 Annual Karaoke on the 25 July 2015, to a much lesser crowd and contestants than year 2014. There were only 9 contestants vying for the Solo and Duet Champion categories; 9 singers for Solo and 5 Duet.

The 9 contestants were introduced to the stage by an opening performance first by male singers and followed by female singers. As the 3 judges led to their seats to pen their scores on the contestants, the emcee, Ms Grace Tan questioned the audience where the origin of karaoke and what karaoke means. One audience answered 'Japan' and it means 'Empty track' which means there is no vocal track to the song.

As soon as the competition started, cheers and hand-claps aroused the hall atmosphere for their favorite idol or singers on stage. There was also a contest for their 'Most Favorite Idol' with 'LIKES' garnered from each singer performed. Finally, Mr Danny Ong was voted the most Spottiest singer of the night.

The final top 5 singers were selected to sing again in the Battle Round; and the results of the Solo category were:

<i>Soloist Category</i>	
<i>Champion</i>	Mr Wesley Lau
<i>1st Runner Up</i>	Ms Jenny Lee
<i>2nd Runner Up</i>	Mr Wendy Ong
<i>3rd Runner Up</i>	Mr Tam Chee Keong

PLACING	WINNERS	HCP	POINTS SCORED
1st	Dr Kok Tack Sang	23	39

19th Golf Quadrangular Championship 2015 @ Kelab Rekreasi Tentera Udara (KRTU), Shah Alam, 6th September 2015

A total number of 88 golfers or 22 flights played for the Quadrangular Championship 2015 hosted by Royal Selangor Club on 6 September 2015, morning Tee-off at Kelab Rekreasi Tentera Udara, formerly the Armed Forces Golf Club located right inside the TUDM Subang air base.

Though Raintree Club has the least representative with 16 golfers, they managed to swing their drivers to their best strokes possible and locate their balls to the greens. It was indeed tougher to beat other 3 Clubs to clinch the overall Champion Club trophy not with-standing the numerous obstructions and confrontations with the hilly terrains and tricky greens. In fact, one of our golfers had an injured toe and yet endured his pain to keep his game played.

Overall Club position attained with contribution of 15 golfers scored:

Champion	Kelab Shah Alam Selangor	Scores of 486
1st Runner-Up	Royal Lake Club	Score of 439
2nd Runner-Up	The Raintree Club of Kuala Lumpur	Scores of 419
3rd Runner-Up	Royal Selangor Club	Score of 387

Raintree Club has raised one position higher than previous year to 3rd placing. Kudos to the Raintree golfers!
Top Player from Raintree Club won by Mr Alan Loke with handicap 19 and a score of 37 Stableford points. Cheers!

THE SARAWAK CLUB since 1876

The Sarawak Club is situated atop one of the highest points in the heart of Kuching City along Jalan Taman Budaya (formerly known as Golf Links Road). It is situated right next to the Reservoir Park and the Museum Garden public facilities that form part of the green lung of the city. This site has been the home of The Sarawak Club since 1927.

The Club was first established in 1876 and is reputedly one of the oldest private membership clubs in the whole of Malaysia. It was set up to cater for the entertainment and recreational needs of the officers of the white Rajahs that ruled the state from 1841 to 1941. The Sarawak Club was an exclusive domain of officers of the Brooke Regime and subsequently the British colonial masters until the 1950's. Today, The Sarawak Club has a membership of more than 3,000 members which come from a cross section of Kuching City's business, professional and civil service community.

The Sarawak Club represents the site of the coronation of the third white Rajah of Sarawak, Charles Vyner Brooke. It received the visit of Queen Elizabeth II in 1972, is the home of the first ever golf course in East Malaysia (established in the 1920s), and is up to this day the training ground of many squash and swimming State-level and national-level athletes. Indeed, The Sarawak Club was used by the Sarawak State Government to host the squash and tennis competitions for the Third SUKMA Games in 1990.

The Club has also had its share of tragedy, none fresher in memory than the fire in the early morning of 27 July 2006, where almost all of The Sarawak Club building was razed to the ground and destroyed most of the Club's historical records, artifacts, memorabilia and trophies. The Club was fully rebuilt within a year, thanks to the remarkable support from all Members. The centrepiece of The Sarawak Club, the Mainhall, was the site of the coronation of Rajah Charles Vyner Brooke and was part of the original clubhouse built on this site. Therefore, the Mainhall was treated as a heritage site and was restored almost entirely with the same material. In particular, Sarawak's world-renowned and valuable belian timber continued to be used for its roofing truss, shingles and flooring. Red brick was also used for construction of the Main Hall walls.

Entry to The Sarawak Club membership is by invitation and introduction of existing members only.
